**\*Estimate shipping at a minimum of \$30 or 10% of your order, whichever is greater**

I will update this cost after your order is packed and weighed. We can ship 1-3 sheets of 1 mm in a large box. Any more than that and it will need to ship flat in a crate via freight truck. It is flexible but not as much as the thinner Warlons. Once received unroll the 1 mm and store flat. 0.2 - 0.3 - 0.45 mm Warlon ships rolled in a tube or box.

**We do not accept returns - all sales are final**

**Note about special orders from Japan.**

**We can special order any of the products on the Warlon website.**

**Rigid sheet products - like 2mm or 1mm Warlon - will ship via DHL.**

**Expensive but they do handle customs clearance. Only makes sense for large orders.**

**Warlon laminated papers - 0.45, 0.3 or 0.2 - ship rolled in a box via EMS.**

**Much less expensive than DHL - case quantities only - just inquire.**
